House Appropriations Request FY 2010

Project Name: US 29 Business and US 158 in Reidsville, NC
Recipient: NCDOT
Recipient Address: Program Development Branch
1542 Mail Service Center
Recipient City: Raleigh
Recipient State: NC
Recipient Zip: 27699

Amount of Request: \$2,000,000

Explanation of the request (must include purpose and why it is a valuable use of taxpayer funds):

This project proposes to widen US 29 Business (Freeway Drive) from South Scales Street to NC 14 in Reidsville, NC to a multilane facility. This project is a high priority and has NCDOT as well as broad local support. This project has been identified as a critical request for Rockingham County by the Piedmont Triad Rural Planning Organization. This project is a valuable use of taxpayer funds because it will enhance safety on Freeway Drive by widening the corridor and making related geometric improvements and improve mobility by providing critical capacity improvements. This project has regional significance because it is identified as a route on North Carolina's Strategic Highway Corridor as well as the North Carolina Intrastate System.

In order to offer more opportunity for public scrutiny, I have posted information on each project request submitted to the Appropriations Committee at the time the request was made.
